Dear Employer,

I would like to give you a brief overview of who I am and what I can bring to your establishment, should I be offered an opportunity to do so.

I am confident that I will be able to contribute to The Courier Guy; having gone through the terms and conditions and thoroughly studied the basics of the Customer Service training manual, I am confident I will be able to meet my deadlines and satisfy the role of a Customer Service Agent.

I am recognized for my ability to communicate, collaborate, and work as a team. Here I attach my resume for your review. Looking forward to the opportunity to meet with you and discuss how my skills and strengths can best benefit The Courier Guy. I appreciate your time and consideration.

Sincerely,
Tyronne Nel
